*Speak with a sexual assault
victim advocate today to
learn more about the help
available to you.*

If you experienced a rape or sexual assault and would like to talk to a confidential advocate, you can call the help line. Support staff can connect you to resources and support for victims of sexual assault and rape. They are here to help.

This Help Line is a **free** and **confidential** resource for incarcerated survivors of sexual assault and rape. This is not a reporting line. Advocates can provide you with information on reporting and safety planning.

The PREA Help Line is sponsored by the Maryland Coalition Against Sexual Assault and the Life Crisis Center.
